

Iridium Go

Global Smartphone Access

Your Apple or Android smartphone will connect for calls, SMS and email anywhere on the planet.

Iridium GO!® creates the first ever reliable global connection for voice calling and text messaging using your own smartphone or tablet, as well as provides enhanced data capabilities offered through optimized apps to meet your unique needs. No worries. No roaming charges.

Iridium GO! instantly transforms your trusted device into a global communications powerhouse. For weekend warriors, individuals, enterprises or governments, for anyone who is on the move, out of range or off the grid – by land or at sea or in the air – Iridium GO! provides global voice and text messaging for smartphone users with data capabilities offered through optimized apps on up to 5 mobile devices.
